

NIDA HIV SEMINAR SERIES

“INTEGRATING ADDICTION AND HIV PREVENTION AND TREATMENT FOR EVERYONE AND BRINGING IT TO WHERE THEY LIVE”

WEDNESDAY, JANUARY 24, 1:00 P.M. EST

Sandra Springer, M.D., is a Professor of Medicine at the Yale School of Medicine. Her research integrates aspects of substance use and infectious diseases, with a focus on opioid use disorder treatment and the treatment and prevention of HIV among people with carceral experience.
